E. Pelham & Son.

They cured me of jaundice and liver troubles that had caused me great suffering for many years. For a genuine, all-around cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in Liver, Kidney and Stomach troubles. Don't fail to try them. Only 50 cts. Satisfaction is guaranteed by all druggists.

Hogging Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long siege like this will pull down the strongest constitution. One minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. W. E. Pelham & Son.

A Large Sugar Beet.

In the spring Mr. Jno. Scott distributed to different farmers throughout the county some sugar beet seed, for the purpose of experimenting as to their growth here. On Saturday Sheriff Buford brought in one which weighed 13 1/2 pounds. The sugar beet is said to be an excellent food for stock, and it has now been proven that it can be successfully raised here. Mr. Scott says that from 12 to 20 tons can be made on land well pulverized and fertilized. It might be well for our farmers to look into the question of cultivating this beet.

Storebreakers Captured.

Week before last the City Market, owned by Lominack & Sample, was broken into and several dollars' worth of goods stolen. The police were put on the case and succeeded in finding some of the goods and arresting three young negroes, Jeff Wilson, Ed Eigner and Clarence Walker. A preliminary hearing was held yesterday before Magistrate Chappell and Wilson and Eigner were bound over for appearance at the circuit court. CANCER CURED BY BLOOD BALM

All Skin and Blood Diseases Cured. Mrs. M. L. Adams, Fredonia, Ala., took Botanic Blood Balm which effectually cured an eating cancer of the nose and face. The sores healed up perfectly. Many doctors had given up her case as hopeless. Hundreds of cases of cancer, eating sores, suppurating swellings, etc., have been cured by Blood Balm. Among others, Mrs. B. M. Guernsey, Warrior Stand, Ala. Her nose and lip were raw as beef, with offensive discharge from the eating sore. Doctors advised cutting, but it failed. Blood Balm healed the sores, and Mrs. Guernsey is as well as ever. Botanic Blood Balm also cures eczema, itching humors, scales and scales, bone pains, ulcers, offensive pimples, blood poison, carbuncles, scrofula, risings and bumps on the skin and all blood troubles. Druggists, \$1 per large bottle. Sample of Botanic Blood Balm free and prepaid by writing Blood Balm Co., Atlanta, Ga. Describe trouble and special medical advice sent in sealed letter. It is certainly a most remarkable remedy, as Blood Balm cures the most awful, worst and most deep-seated blood diseases.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the inflamed lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at W. E. Pelham & Son. Get Green's Special Almanac.

1899-0.....	21,875

Death of Mr. J. D. Hornsby.

Mr. J. D. Hornsby died at his home in this city Sunday afternoon shortly after 2 o'clock, after an illness of several weeks with Bright's disease. Mr. Hornsby was a confederate veteran and served his country well. He was a consistent member of the Central Methodist church and was prominent in church work. The remains were buried yesterday afternoon at Rosemont cemetery. The family have the sympathy of their many friends throughout the county.

Is Golf Catching?

on to popular favor? It seems to be. A noticeable increase in sales of Pailkiller comes from golf districts. The reason for this is clear as Perry Davis' Pailkiller is the oldest and best remedy extant for sprains, strains, bruises and soreness, all of which are of common occurrence, either in vigorous play or through accident. Everywhere the standard liniment and balm.

Death of Mrs. Jno. J. Long.

Mrs. Long, wife of Rev. John J. Long, died at her home in the county last night after an illness of a few weeks. She leaves a husband and three children, two little twin boys only three weeks old, and many relatives and friends to mourn her death. The remains will be buried this afternoon at 4 o'clock at Bethlehem church. We extend our heartfelt sympathy to Rev. Long in his sorest hour of bereavement.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its very function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals. W. E. Pelham & Son.

Death of Charles L. Wessinger.

Mr. Charles Curtis Lee Wessinger died at his home near Chapin, Lexington county, on last Friday evening, in the 25th year of his age. For several weeks he had been ill with typhoid fever, and this was the cause of his death. Mr. Wessinger graduated from Newberry College in June of this year. After graduation he almost immediately entered upon the work of teaching, and it was only a few days after the close of his summer school that he was taken sick.

His was a life full of hope and promise of great usefulness, and the grief-stricken parents have our heartfelt sympathy in this their hour of sad bereavement.

Perfection Attained.

"Clifton" fancy patent flour is a perfect flour. It is not possible to put more quality and purity into a flour than our "Clifton" brand contains.

"Clifton" is a soft wheat fancy patent. It is made from select wheat, every grain of which was grown on Kentucky soil—the finest wheat in the wide world. Only the choicest berries are selected. These are thoroughly cleaned, and then by a special process of gradual reduction are converted into flour. The cream of this flour is separated and sifted gently through the finest silk bolting cloth, giving it a velvety softness seldom found in ordinary flour. That's "Clifton," and that's why it is a perfect flour—the finest product expert milling and a modern mill can make from the best wheat grown.

"Clifton" is a flour of quality at a reasonable price. You can pay as much and get an inferior flour, but you cannot get a better flour whatever you pay. Bransford Mills, Owensboro, Ky.
